See my hands and look at my feet
It's okay if it's hard to believe
I have faith you will do greater things
It's my time to go but before I leave
Go tell the world about me
I was dead but now I live
I've gotta go now for a little while
But goodbye is not the end
Don't forget the things that I taught you
I've conquered death and I hold the keys
Where I go you will go too, someday
But there's much to do here before you leave
Go tell the world about me
I was dead but now I live
I've gotta go now for a little while
But goodbye is not the end
End of the journey, the end of the road
My spirit is with you wherever you go
You have a purpose and I have a plan
I'll make you this promise
I'll come back again but until then
Go tell the world about me
I was dead but now I live
I've gotta go now for a little while
But goodbye is not the end
go tell them about me
(Go tell the world) I've gotta go
(Go tell the world) for a little while
But goodbye is not the end
